About Travelife Sustainability Certification

An internationally recognized standard is crucial for ensuring the long-term viability and success of the tourism industry, enabling it to continue delivering economic, environmental and social benefits on a global scale. In the accommodation sector, **The Travelife Accommodation Sustainability Certification Scheme TASC**, functions as a unique product certification scheme designed to evaluate the property against the Travelife Certification Requirements. TASC has two simple objectives:

- 1: Driving up standards in accommodation sustainability
- 2: Providing the travel industry and travellers with a credible and reliable accommodation sustainability label

About Tamarind Village

Tamarind Village Chiang Mai is a unique and charming Lanna-style boutique property that nestles in the heart of historic Chiang Mai making it the ideal base for exploring the city's ancient temples and quaint shopping streets. The hotel's 41 guest rooms and 5 suites, set around a series of courtyards, reflect the rich ethnic diversity of northern Thailand by using fabrics and patterns drawn from the region's various hill tribes. An oasis of calm and tranquility, the hotel takes its name from a 200 year old Tamarind tree that shelters it in a shady embrace.
